Subject to Scrty

There is some confusion as regards these Special Scholarships It is said that there is no definite order regulating their grant If the Persian words quoted in para 2 are to be taken as the guide, then the student in question has a right to demand a special scholarship for fully 4 years from the date of his passing the Matr Exn, and no special sanction need be asked from the Govt

CL

but in that case no scholarships would be available for students who were not scholarship holders when raised the B A limit or who raised high in the F-A- Hence the modification of the rule - According to existing practice Govt cannot continue to award the scholarship

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

No 790/22

~~Bangalore~~ Mysore, 27 July 1897

From

H J BHABHA Esq

Inspector General of Education in Mysore,

To

The Secretary to the Government of Mysore
in the General and Revenue Depts,
Bangalore

SIR,

I have the honour to forward herewith letter No 289 dated 7th June 1897 from the Principal, Maharaja's College bearing this office Register No 1405/892, proposing that the special scholarship of Rs 10 a month which T N Muthusamy was getting to the end of the year 1896 may be continued to him for two years more in the B A class as he has passed the F A Examination in the First Class

2 In 1883 the Dewan was pleased to announce at the Prize Distribution of the Central College that H H the Maharaja had "sanctioned five scholarships of Rs 10 each tenable for four

years by any student passing the Matriculation Examination in the first class and undertaking to read for the First Examination in Arts in any College in the Mysore State and thereafter to read for his B A Degree in the Central College" No Government Order on this subject was passed as far as I know. No such order is among the records of this office In accordance with the above announcement, the first five Mysore students passing the Matriculation Examination in the First Class have been given these special scholarships every year Some of the scholars in the early years after 1883 retained the scholarships in the B A Classes even though they passed the F A Examination in the Second Class, because I believe, five men could not be found who had passed the F A Examination in the First Class When the number of those who passed the F A Examination in the First class, increased to five

or more than five, it was made a rule with the concurrence of the Dewan that the list of special scholars should be revised after the results of the F A Examination were known, and the first five that passed the F A Examination in the First Class were to hold the special scholarships in the B A classes This rule has not been clearly stated in any Government Order but has been acted upon till now The case of Muttusamy is some what peculiar He has passed the F A Examination in the First Class, but was sixth in rank among Mysoreans in the First Class The first five were according to the existing practice given the special scholarships in the B A classes, and he being the sixth in rank was left out Mr Weir proposes that as a special case Muttusamy may be given an additional or sixth special scholarship of Rs 10

from 1st January 1897 tenable for two years I have great pleasure to recommend that Mr Weir's proposal may be sanctioned under the above circumstances as a special case.

Sir, I have the honor to inform you that T. Venkatasami passed the Matric examination in 1894 from the U.H.S and as his rank in the Province was fourth he was awarded a Special Govt Scholarship of Rs 10

In 1896 he passed the FA examination in the First Class but as his rank was not

within the first five in the Province. his special scholar
of Rs 10 was not continued to him.

Muthusamy now requests a reconsideration of his
recent award of Special scholarships on the ground that
the original intention of govt was to support the schola
for four years at the time of passing the Matriculation
Examination, the continuance of his scholarship depen
simply upon his passing the FA Examination in the
class

As the question does not appear to have been
raised before and as the original order is not availab
in this office I have the honor to request that you
will kindly submit the case for the orders of govt
